WELCOME TO THE NATION

### WE ARE ALL RESPONSIBLE

#### STAY CLEAN

Please try to wash your hands and sanitize often. We will make sure soap is available in our bathrooms and hand sanitizer is placed strategically throughout the facility. It is important to wash hands for 20 seconds and avoid touching eyes, nose, and mouth.

#### FACE MASKS

Masks are optional both indoors and outdoors.

#### SANITATION

We will be sanitizing all sections of the facility prior to the start of each day and consistently throughout the day. We ask that you do your part as well by cleaning your area and throwing out your trash.

#### NAVIGATING UNPRECEDENTED TIMES

Throughout the season as medical and governmental guidance changes, our Covid-19 policies & procedures will continue to evolve. All updates will be communicated to participants in a timely fashion.

#### BATTING CAGES
