

You Own
It!

Simply the
Best!

RECRUITING WEBSITE

Own the best & most detailed recruiting website on the market – it makes getting recruited easy! Your own personal webpage & URL is both professional & secure. Considered essential in the college recruiting process, websites increase recruitability immediately. Imagine all the information a college coach needs in one place - including skills & highlight videos. Our websites are self-manageable and easy to use...organize, load, update and send in one click. T2SC makes it simple, easy & affordable! Customize with a team logo or sports icon of choice for one low price. Go to the "Pricing" page of our website and "Buy Now"...it's that easy. We also provide a \$99 p/year leasing program for club & travel teams. Call us for more information.

The Single Most Effective Tool For Getting Recruited!
Applauded by college coaches everywhere!

*Click Image for Sample Website

A screenshot of a sample recruiting website for a player named Joy Jock. The page has a blue and white background with a photo of a baseball player. On the left is a black sidebar with a "Your logo here." placeholder and a menu with items: Home Page, Videos, Playing Schedule, Sports, Academics/Eligibility, Honors, Contacts, and Photos. The main content area includes a "Download Printable Profile Sheet" button, a "Scouting Report" section with a photo and text, a "Top Skills & Traits" section, and a table with player statistics.
