Visit our Hotel Partner website: [www.diamondnation.com/about-us/hotel-partners-2](http://www.diamondnation.com/about-us/hotel-partners-2) for details on rates and how to book your rooms.*

## INSURANCE

Each team is required to have proof of insurance with them at all times. Proof must also be provided to Diamond Nation prior to the tournament. The insurance certificate must have no less than \$2,000,000 General Aggregate and \$1,000,000 Each Occurrence. Insurance certificate must have "Diamond Nation, LLC" listed as the certificate holder and additionally insured.

## ROSTERS

The roster size can be unlimited for the number of players on the team. There can be no more than 3 coaches allowed in the tournament. A team can add to the roster all the way up to the first game. If an unforeseeable circumstance happens during tournament play where a coach needs to add to his roster he must immediately submit his reasoning to the tournament committee and the committee will then either grant or deny his request. A player can be on the roster for two different age groups, but not on multiple teams within a single age group. If a player's name shows up on multiple rosters, he/she must designate which team he/she is officially on. If a player is not on the roster and is playing in a game that player will be immediately ejected from both the current game and the rest of the tournament. The current game will NOT revert back. Play will continue as it was at the point of ejection. You MUST submit a roster in order to play your first game. Rosters need to be submitted no later than the Monday before the tournament start date. If you will be using a roster from a previously attended tournament then you must explain that in an email to our Tournament Director, Marty Clark at [mclark@diamondnation.com](mailto:mclark@diamondnation.com). If you do not submit a roster prior to the start of the tournament then you must fill out the roster sheet provided by the front desk staff at check-in and hand in to the tournament director prior to your first game.

## UMPIRES

All games that are played in the Diamond Nation tournaments will have two umpires scheduled for each game.

## SOFTBALLS / EQUIPMENT

Game balls will be provided by Diamond Nation for all games. Teams are to bring their own practice balls for batting cage and warm up. Teams also should bring helmets, bats, gloves, catchers gear, first aid and other equipment that may be needed for your team. **NO METAL CLEATS!**

### SOFTBALLS / EQUIPMENT CONTINUED...

*Diamond Nation is not responsible for any lost, stolen, or unattended personal items/equipment. We ask that players, coaches, and fans keep personal items and equipment with them at all times in order to eliminate any issues that may arise in this manner.*

## BATTING CAGES/PRE-GAME

Use of batting cages will be on a first come first serve basis. Diamond Nation offers 5 indoor cages and 10 outdoor cages. Indoor cages are fully reserved for Diamond Nation's in-house travel teams, The Diamond Jacks and Finch's Aces. All other teams must use the outdoor batting cages. Batting cages must be occupied by only one batter at a time. All batters must wear a helmet and all pitchers must throw from behind a pitching screen. We ask that teams only occupy one cage and be respectful of other teams waiting to use the cage. There is no pre-game infield/outfield. There may be certain times when the tournament committee limits cage time to 20 minutes per team in order to accommodate the large number of teams attending.

## UNIFORMS/CLEATS

Teams are to be in full uniform once they are on the field. All players must have a uniform number.

**NO METAL CLEATS! Players MUST wear turfs, plastic molded cleats, or sneakers on our fields.** We recommend that all players bring their metal spikes with them in case tournament director or site director gives permission to wear them due to weather related circumstances. Coaches are not required to wear full uniform during the games. We do expect the coaches to dress appropriately on the field. Coaches do not need to wear helmets while coaching 1<sup>st</sup> or 3<sup>rd</sup> base; however, the players need to wear helmets if they go out to coach 1<sup>st</sup> or 3<sup>rd</sup> base.

*\*Please note that some off-site field locations are dirt/grass and metal cleats can be used on those surfaces.*

## FOUL BALLS

We would ask for all players, coaches, fans, and parents to be aware of foul balls at all times. There will be more than one game going on at a time, which can cause foul balls from different fields. Please return all foul balls to the umpire or the tournament director.

## FIRST AID & AED

There will be first aid equipment on site for all of our tournament games. The local first aid squad is on call in an event of injury. Hunterdon Medical Center is less than one mile away in case of a serious injury.

## CONCESSIONS

Our concession stand will be open during all of the Diamond Nation tournaments. The concession stand hours of operation are from 7:00AM until the start of the last game. Weekday hours vary based on need. The concession staff is willing to work with your teams. ### INCLEMENT WEATHER

If rain comes into play, we will do everything we can do to stay close to the original game schedule. The A-TURF fields will limit rain outs and delays. All rain out games may not be made up depending on time constraints.

# DIAMOND NATION SOFTBALL TOURNAMENT PLAYING RULES

**Coaches:** Be sure you are aware of all rules and rule changes. Diamond Nation reserves the right to amend these rules at any time for specific tournament play. National Federation High School Softball Rules will be enforced with the following exceptions.

## ROSTER RULES & LINE UP

- Free defensive substitutions are allowed and you are allowed to bat your entire line up on both Saturday and Sunday.
  - *With your batting line up, how you start the game is how you need to finish the game. If a player is unable to bat in their spot of the lineup and you do not have subs, it will be recorded as an out.*
- Shorthanded Play: All games must be started with at least 8 players. If a team does not have at least 8 players at the start of the game then the result is a forfeit. If a team starts with 8 players then an automatic out will be called every time the 9<sup>th</sup> slot in the batting lineup comes up. If and when a 9<sup>th</sup> player arrives at any time during the game, that player is to be inserted immediately into the lineup in the 9<sup>th</sup> spot and placed into the game (even if the team is on defense). Any other player(s) that arrive after the 9<sup>th</sup> player can only be used as a legal substitute. The tournament director will determine if a start time can be delayed from its original time. NOTE: All teams should be prepared to start their game 15 minutes prior to the scheduled start time.
- Please announce offensive substitutions to the umpire and other team

## INNINGS

- 10u will play 6 innings. 12u-18u will play 7 innings.

## TIME LIMIT

- All games will have a 75-minute time limit, finish the inning. At 75 minutes no new inning will be allowed to start.
  - All non-playoff games that are tied after 6/7 innings or the time limit will be recorded as a tie. No extra innings will be played in non-playoff games even if it is under the time limit after 6/7 innings.
  - We will not finish an inning if the home team is winning & batting when time expires
  - Game time begins at the break of ground rules.
  - The official clock will only stop during lengthy delays (determined at umpire's discretion)

## SPEED UP RULES

- Pitchers will receive 5 warm ups the first inning, 3 every inning thereafter. A new pitcher will receive 5 warm ups.
- Infield/Outfield balls ARE permitted in between innings
- "Run Rule" as follows will be in place for ALL games (including Championship):
  - 12 runs after 3 innings, 10 runs after 4 innings, and 8 runs after 5 innings
- **International Tie Breaker (ITB):** The last batter from the previous inning goes to 1<sup>st</sup> base, second to last batter at 2<sup>nd</sup> base, third to last batter at 3<sup>rd</sup> base. The hitting team will start with one out. Play continues this way until one team is ahead at the end of a full inning.
  - In Pool Play games there is no ITB.
  - In Elimination Round games, ITB will begin after time limit has expired or 6/7 innings have been played (whichever comes first).

## DETERMINING HOME TEAM

- In non-playoff games the home team and visiting team are pre-determined on the tournament schedule.
- In playoffs the better seed will be home team.

## COURTESY RUNNER

A courtesy runner (CR) can be used for the pitcher and/or the catcher at any time.

The same runner may not be used for both. *Players not in the game must be used as runners, but if a team has none the last batted out may be used.*

## REPORTING SCORES

Umpires will report the final score to the tournament booth. They will be the official score reporter. It is both the winning and losing team's responsibility to make sure they all have the same score.

## AGE ELIGIBILITY PROTEST

Protests will be heard and ruled on by the tournament committee. The team protesting must have convincing evidence that a player is not in compliance. If the tournament committee feels there is convincing evidence, then they will proceed to the team-in-question's submitted roster. From here three cases can occur:

1. The player's information on the roster is in compliance with the tournament and therefore play continues.
2. The player's information is not in compliance to the tournament which results in team expulsion for the current tournament and the possibility of future tournaments. If the tournament is still in pool play, the standings will be recalculated and advancement procedures will remain the same. If the tournament is in the playoffs, the current game will become a forfeit and playoffs will continue as scheduled.
3. The player's information on the roster is in compliance with the tournament but the protesting team has convincing evidence that the wrong information was submitted. In this case, the protesting team must provide \$250 in cash which will be needed in order to gather the player-in-question's appropriate documents. From there, the player-in-question has until the end of the current game to provide the tournament committee his/her documents. If he/she cannot provide documents in that amount of time, then the tournament committee will make the fairest possible ruling and that ruling will be final.

## PLAYOFF SEEDINGS

1. Overall record (winning percentage)
2. If still tied: Total runs allowed in pool play
3. If still tied: Total runs scored in pool play
4. If still tied: Highest single game run differential
5. If still tied: Lowest single game runs allowed
6. If still tied: Highest single game runs scored
7. If still tied: Coin flip

\*If there is a case where all teams have not played the same amount of pool play games then we will base best overall record off of their winning percentage. If multiple teams have 100% winning percentage but a different number of wins than the team with the most wins will be presumed a better seed than the other team. For example: 3-0 is presumed better than 2-0.

\*If, at any time, a team informs the tournament director that they do not have intentions on playing in the playoffs, that team will be immediately removed from advancement procedures and the remaining teams will proceed with the regular tie-break rules.

## PLAYING RULES OR ILLEGAL EQUIPMENT PROTEST

Protests will be heard and ruled on by the tournament committee. The team protesting a playing rule must make cash payment of \$250 at the time of the protest to the tournament director on-site. If the protest is ruled in the protesting team's favor the \$250 will be refunded. The ruling made by the committee will be final. Protests must be filed and ruled on immediately. You cannot protest a play on the field if play has already been resumed. If you are protesting illegal equipment and committee rules in your favor, then the equipment in question will be removed immediately and play will continue (any prior game play leading up to that point remains as it was).

## SUSPENSION

Any player or coach that is ejected from a game will be subject to suspension upon review by the tournament committee. If a team acts unruly or unsportsmanlike, Diamond Nation reserves the right to eject that team from the current tournament and possibly ban that team from the facility for a certain length of time. Sportsmanship: In the interest of maintaining a quality event, the tournament committee reserves the right to eject any person from the site for unruly or unsportsmanlike behavior.

## THE TOURNAMENT DIRECTOR

Reserves the right to adjust the rules, schedules, brackets, and field locations as needed to complete the tournament. Every attempt will be made to honor the game minimum – however, if a situation develops where a team forfeits or the weather does not cooperate the Tournament Director will make an attempt to reschedule games, shorten games, or cancel games in order to complete the tournament in a timely fashion.

## DIAMOND NATION FIELD GROUND RULES

1. If a ball becomes lodged in the padding or goes on top of the padding and is resting on the netting the ball becomes dead immediately and runners will be placed accordingly.
2. Any ball that goes into the dugout area is a dead ball and runners will be placed accordingly.
3. If a ball hits the protective netting or the facing of the blocks or the blue trim on top of the dugout area and the ball does not enter the dugout then the ball remains a live ball.
4. All gates must be closed at all times. If for some reason a gate is open and the ball passes the opening then that ball is considered dead immediately and runners will be placed accordingly.
5. Any ball hit over the yellow cap on the outfield fence is a homerun. Any ball bouncing off the turf and over the yellow cap is considered a ground rule double. No balls can be played off of the netting above outfield fences in fair territory.
6. Any fair ball that caroms into foul territory is a live ball unless the ball gets lodged in netting, padding, or fencing. In the case of a lodged ball, the ball becomes dead immediately and the runners will be placed accordingly.
7. Teams are allowed one on deck batter outside of their dugout at the end farthest away from home plate.
8. Batting order and designated head coach will be discussed at the pre-game conference
9. If portable fences are being utilized: a ball that rolls under the fence or crosses the left field or right field imaginary line (which extends the fence) will be ruled a ground rule double.
10. Home plate umpire will announce the starting time or start his stopwatch at the end of the pre-game conference.
11. No metal cleats unless given permission by the umpires. Sneaker, turf shoes, or molded cleats are okay for use.
